

Privacy Policy

Last updated: September 3, 2025

AMDR Automate AI (“we,” “us,” or “our”) operates the website **amdrautomate.ai** (the “Site”). This Policy explains what data we collect, how we use it, and your choices.

What we collect

- **Contact data** you submit (e.g., email address) via forms or when booking meetings.
- **Scheduling data** you provide through our booking tool (e.g., Calendly) to arrange calls.
- **Communications** you send to us (e.g., email, chat).
- **Usage data and cookies** (analytics, performance, security). We use limited cookies/identifiers to operate the Site and understand engagement.

How we use data

- Provide the Site, respond to inquiries, deliver newsletters you opt into, schedule calls, and improve our services.
- Legal bases (where applicable): your **consent**, **contract** (to provide requested services), and **legitimate interests** (to operate and secure the Site).

Sharing

We may share with service providers who help us operate the Site and communications (e.g., hosting, email service, analytics, scheduling). These providers are only allowed to process data on our behalf and consistent with this Policy.

Retention

We keep data only as long as needed for the purposes above or to comply with legal obligations, then delete or anonymize it.

International transfers

Your data may be processed outside your country. We take steps to protect it according to applicable law.

Your rights

Depending on your location, you may have rights to access, correct, delete, object, or port your data, and to withdraw consent. To exercise these rights, contact us at **hello@amdrautomate.ai**.

Cookies

You can control cookies in your browser settings. If you disable certain cookies, parts of the Site may not function properly.

Children

The Site is not intended for children under 16 and we do not knowingly collect their personal data.

Changes

We may update this Policy. We will post the new date above and, if material changes occur, we will notify you via the Site or email.

Contact

Questions or requests: **hello@amdrazomate.ai**.
